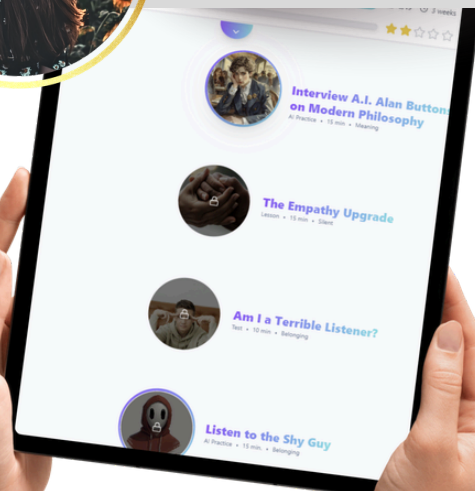

## Mapping the mental health continuum

- **1 in 5 teens** are diagnosed with a mental health condition.
- According to our data, **54% of kids are already at a risk zone** that we cannot see.
- Today, with technology, **we can measure it.**

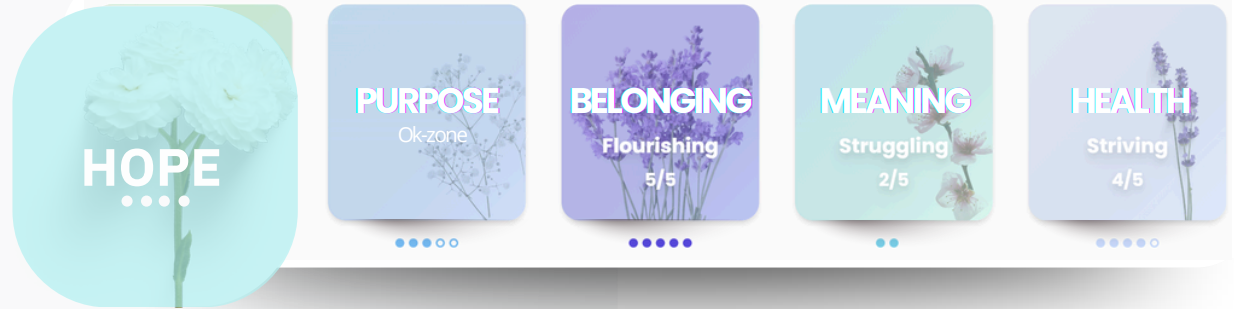

### When Do I Feel Loved?

Test • 10 • Love

## We are quantifying *Human Flourishing*

Global Grand Challenges  
TOP 30 Finalists 2026

How we support our (pre)teens:

### Life Design for Happiness & Socio-Emotional Learning Curricula

- Teen Flourishing Scores
- Resilience Markers
- Personalized Development Plans to enhance protective factors
- AI Practice Scenarios
- Actionable Recommendation for Parents and professionals
- School Wellbeing Dashboards

For Families, Schools, and  
Health systems.
